

Peptide Discovery: Pushing boundaries with innovative science and technology

AGENDA

4:00 PM CEST | 10:00 AM EDT | 7:00 AM PDT

PLENARY SESSION

45 min

Therapeutic peptide generative models, scoring functions, and retrosynthesis

Leonardo De Maria, Ph.D.
Principal Scientist at **AstraZeneca**

4:45 PM CEST | 10:45 AM EDT | 7:45 AM PDT

PRESENTATION

30 min

Advancements in peptide late-stage functionalization for drug discovery

Jennifer Hanisak, Ph.D.
Associate Principal Scientist, Peptide Discovery at **Merck & Co.**

5:15 PM CEST | 11:15 AM EDT | 8:15 AM PDT

ROUND TABLE

45 min

The future of Peptide Discovery: challenges, best practices, and outlooks

CHAIR

Leonardo De Maria, Ph.D.
Principal Scientist at **AstraZeneca**

PANELISTS

Alec Flyer, Ph.D.
Associate Director at **Novartis Institutes of BioMedical Research (NIBR)**

Markus Kossner, Ph.D.
Scientific Services Manager at **Chemical Computing Group**

Jennifer Hanisak, Ph.D.
Associate Principal Scientist, Peptide Discovery at **Merck & Co.**

6:00 PM CEST | 12:00 PM EDT | 9:00 AM PDT

MEET THE SPEAKERS

BREAKOUT ROOMS

**Networking
Digital Drinks**
